

Landscaper

OLYMPIC LANDSCAPE

Olympic Landscape began more than 40 years ago and has grown into a beloved and well-known company with a long list of clientele who have become more like family. Their team will turn your vision into a reality – whether it's high-tech lighting or a rustic water feature. *Puyallup*

Architect

COYOTE DESIGN ARCHITECTURE + PLANNING

When Coyote Design Architecture + Planning is involved in a project, blueprints are transformed into a work of art. Darren Thomas Dickerson is the principal architect and owner of the South Sound company, and his experience ranges from residential to commercial. *Fircrest*

Interior Design

STEFANIE BROOKS INTERIOR DESIGN

You know your style, but making it come to life within your home can be

more difficult than it looks on HGTV. Cue Stefanie Brooks, an interior designer with a 14-plus-year career working on projects that revitalize spaces throughout the whole home. She can help with the entire vision, from color analysis to special planning. *Tacoma*

Kitchen and Bath

CRAFTSMAN CONSTRUCTION

When you need the job done right, you call the experts. Craftsman Construction specializes in remodeling kitchens and bathrooms, and because they have more than 10 years of experience, they know how to get the job done on deadline and with a detail-oriented eye. *Tacoma*
